## **Course Description**

***Lean Six Sigma*** is a global best practice ***Strategic Improvement*** approach used widely throughout the world. It combines the "waste out" Lean techniques with the structured Six Sigma problem-solving techniques to provide leaders with a way to improve both ***efficiency*** and ***effectiveness***. Course participants will be (1) introduced to *Strategic Planning*, *Project Portfolios*, and the basic *Lean Six Sigma* concepts, methods, and tools and then (2) apply what they learn. This fast-paced, action-packed *Strategic Improvement Yellow Belt* experience will give participants some of the valuable skills necessary to improve their day-to-day work and impact organizational performance.
